

CODE OF CONDUCT FOR STAFF POLICY

1 INTRODUCTION

The Governing Body is required to set out a Code of Conduct for all school employees at Coppetts Wood Primary School and Children's Centre.

Without exception, staff must behave with integrity and demonstrate an honest, open and transparent attitude to their work. Where a member of staff believes there is, or may be, a conflict of interest affecting their ability to work in this way, the expectation is that they will declare this potential conflict in a timely manner to the Head Teacher, and before it comes to light by some other means. Failure to make a declaration where there is subsequently discovered to be grounds for doing so, may be treated as a disciplinary issue.

This policy follows statutory guidance outlined in Keeping Children Safe in Education 2016 and Working Together to Safeguard Children 2013. It sets out the duties to which staff at Coppetts Wood Primary School and Children's Centre must adhere.

In addition to this policy, all staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

Employees should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action including dismissal.

2 PURPOSE, SCOPE AND PRINCIPLES

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe. School staff are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the children within the school. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

This Code of Conduct applies to:

- all staff who are employed by Coppetts Wood Primary School and Children's Centre, including the Headteacher.

3 SETTING AN EXAMPLE

3.1 All staff who work in schools set examples of behaviour and conduct which may be copied by children. Staff must therefore avoid using inappropriate or offensive language at all times.

- 3.2 All staff must, therefore, demonstrate high standards of conduct in order to encourage our children to do the same.
- 3.3 All staff must avoid putting themselves at risk of allegations of abusive or unprofessional conduct.
- 3.4 This Code helps all staff to understand what behaviour is and is not acceptable.

- physical abuse
 - sexual abuse

- 4.9 Staff must take reasonable care of children under their supervision with the aim of ensuring their safety and welfare.
