

**Coppetts Wood School
Sports Premium
2015-16**

The National vision: 'A measurable and sustained improvement in school PE and sport, underpinned by high-quality teaching that increases participation levels in physical activity, and leads to healthier pupils who are more engaged across the whole curriculum. This will be our legacy to the London 2012 Olympic and Paralympic Games.'

What is the sports premium? The Government has provided £150 million worth of funding for two academic years for physical education and sport. This funding should be used to improve the quality and breadth of PE and sports provision. Each school will receive £8, 000 plus an extra £5 per pupil each year. This means Coppetts Wood Primary will receive around £9047 to be spent on developing our PE and sports this year.

How will Coppetts Wood spend the money? Coppetts Wood Primary School Sports Premium 2015-2016 Allocated amount £9047

<u>USE OF FUNDING</u>	<u>COSTING</u>	<u>OUTCOMES/IMPACT (ongoing)</u>
<p><u>Providing high quality sports teachers and upskilling teachers</u> The school has continued to link Non-Stop Action to deliver PE lessons alongside teachers. They work with four classes a week and as well as delivering high quality specialist PE teaching, give staff training opportunities and continued professional development.</p>	£7694	Teachers have continued to find the standard of NSA coaching high. Team Teaching has improved and feedback from Year 5 and 6 teachers, has been very positive regarding their professional development in PE. Children from Year 3 and Years 1/2 gave also received coaching enabling a wider range of teachers to work alongside coaches
<p><u>Increasing participation in school sport</u> NonStopAction continue to provide a lunchtime club. Autumn Term involved the two Year 3 classes, targeting children for various reasons including those less inclined to be active, as well as pupil premium children. In the Spring Term Year 4 children were given the opportunity to take part with the same criteria used to choose children. In the Summer Term the focus of the club will shift to athletics with the aim of</p>	£1156	Year 3 children attended regularly. Clear club rules were set up. These have proved very effective with the Year 4s. Boys and girls have enjoyed the movement sessions, and no one has jeopardised their place in the club. And there is a waiting list!

<p>working with a variety of children across KS2 who will be taking part in a Barnet athletics competition</p>		
<p><u>Providing opportunities for children to compete</u> It continues to be a priority for children of all abilities to be able to participate in competitions so funding will be provided to pay for transport to sporting opportunities where needed.</p>	<p>£197</p>	<p>Many of our children continue to be given the opportunity to represent their school and borough in competitions in football, dance, netball, and cross-country, raising levels of self-esteem, teamwork and developing skills in PE and we have provided free transport when necessary to enable all children to participate. Competitions include: Year 4, 5 and 6 Boys Football and Mixed Football in Barnet, Netball 5 North, Primary Cross-country at Allianz Park, and the Dance Festival in North London, involving Year 6. Our Netball team reached the quarter finals beating a local rival for the first time! Year 5 Boys Football team got to the semi-finals, and our Dance Festival entry was hailed as 'fantastic' and 'the best' in the competition by two observers!</p>
<p><u>Providing youth leadership.</u> We have continued with the Bronze Ambassadors youth leadership training programme, supporting more active playtimes. Verbal and non-verbal communication skills, traditional and modern games and healthy living awareness, remained the focus of training sessions once a term.</p>		<p>This year 3 children from Year 5 applied to be considered for the roles and attended an interview. A girl and two boys were chosen. This year's ambassadors have been the most dynamic, starting off their tenure with an active presentation in assembly. They have shown excellent teamwork and been keen, creative and consistent. They have had the confidence to bring their ideas to the table with the PE Coordinators, and kept impressive feedback notes that can be acted upon. They are out at playtimes three times a week, and play with Reception children and KS1 on a rota basis. They have become overwhelmed with the popularity of their provision, and have now asked if two additional members of their class can become their 'deputies'! They have also said that Year 3 children are asking if they can be added to the rota! The PE Coordinators will work with the ambassadors to make both ideas possible for the following term.</p>
