

THIS WEEK...

In Year 5, the children had the opportunity to visit trip the British Museum, which perfectly complemented their current history topic on the ancient Benin Kingdom. We were thrilled to see the enthusiasm and engagement of our children as they explored the artifacts and learned about the significance of the Benin Kingdom.

Our Reception class had an equally exciting experience with a memorable trip to the farm. The visit provided them with first hand knowledge about farm animals, their habitats, and their roles in our lives. The children had an incredible time interacting with the animals, and we were delighted to witness their joy and curiosity during this trip.

In addition to these experiences, our Year 6 children had an engaging trip to the Natural History Museum for a workshop on their science topic on Evolution and Inheritance. This hands-on workshop provided them with a deeper understanding of the concepts related to the natural world. The children actively engaged in discussions and enhanced their scientific knowledge and critical thinking skills.

I would like to take this opportunity to remind all parents to stay updated with the range of experiences and learning happening at Coppetts Wood by regularly visiting our school website and following our school Instagram page. These platforms provide a wonderful opportunity for us to share glimpses of our children’s achievements, exciting projects, and upcoming events.

As we reflect on the past half term, we would like to extend our gratitude to all parents for their continued support and encouragement. Your involvement plays a vital role in creating a positive learning environment for our children, and we truly appreciate your partnership.

We look forward to the upcoming term, where we will continue to provide enriching experiences and educational opportunities for all our children. If you have any questions or concerns, please do not hesitate to contact us.

Faramade Alawaye, Interim Head of School

SCHOOL CALENDAR

Don't forget to check the **school calendar** for school events and trips.

REMINDERS

Summer term will begin on Monday 5th of June.

Term dates are now available on the website [HERE](#).
