WEEKLY NEWS & EVENTS IN OUR SCHOOL

30 June 2023

THIS WEEK...

Dear Parents/Carers,

I'm writing to inform you about some upcoming staff changes that will be taking place at our school in September.

While change can be bittersweet, we are excited about the opportunities and growth that lie ahead for our staff members.

Firstly, we would like to inform you that Amy Lee, who has been teaching Year 1, has secured a job closer to her home in Hertfordshire. While we will miss her presence in our school, we wish her all the best in her new position.

Additionally, Maria Kallis, who has been teaching Year 2, has gained an exciting job opportunity to teach in Shanghai, China. This is a wonderful chance for her to explore new horizons and we support her decision wholeheartedly.

Emma Dartnell, who has been a valuable member of our Reception team, has found a job opportunity to teach abroad in Qatar. We are grateful for her contributions to our school and wish her the best in her new adventure.

In further staff changes, Nicola Bettis, who has been teaching Year 6, has gained promotion to Assistant Head at another school. We congratulate her on this achievement and know she will excel in her new role.

Lastly, Megan Millane, our Birth to Five Lead, will be leaving at the end of the term to explore new opportunities in education. We extend our gratitude to Megan for her contribution to Coppetts Wood and wish her every success in her future endeavours.

We understand that these staff changes may raise questions or concerns, especially for our children who have built strong relationships with their teachers. Rest assured, we have actively worked on securing qualified and experienced replacements for these positions.

We will ensure a smooth transition for the children, and we are confident that the new teachers will bring fresh perspectives and enthusiasm to their roles.

We would like to take this opportunity to express our gratitude to Amy, Maria, Emma, Nicola, and Megan for their valuable contributions to our school community. They have made a significant impact on the lives of our students, and we are grateful for the dedication and care they have shown.

Faramade Alawaye, Interim Head of School.
