## WEEKLY NEWS & EVENTS IN OUR SCHOOL

8 September 2023

### THIS WEEK...

Dear Parents and Carers,

We welcome you and your children back to school for the new academic year. We hope you had a wonderful summer break and are ready for an exciting year ahead.

We would also like to extend a warm welcome to all the new families who have joined our school community this year. We look forward to getting to know you and your children and working with you throughout the year.

We are very impressed with how well the children have completed their first week and settled into their new classes. They have been busy getting familiar with their new timetables and routines. They have also spent the last three days gathering information on their class name based on a capital city. They have been researching and presenting their findings in creative ways. They will share their work with the whole school in a special assembly next week, where they will unveil their class names for the academic year. We are very excited to see what they have come up with.

We have a lot of exciting events and activities planned for this half term. We will send more details and reminders about these events closer to the dates. Please also check our school website and newsletter regularly for updates and information.

I'd also like to take this opportunity to remind you that the Mayor of London has introduced free school dinners for all our pupils from Reception to Year 6 this academic year as part of his commitment to provide healthy and nutritious meals for our children and to support our families financially. We welcome this initiative and believe free school dinners will positively impact our children's learning, behaviour, and well-being. We hope you will take advantage of this offer and encourage your children to try the varied dishes our kitchen staff prepares. You can find the menu for each week on our school website.

We value your partnership and involvement in your children's education and look forward to working with you throughout the year. If you have any questions or concerns, please do not hesitate to contact us via email, phone, or in person.

Thank you for your continued support

Faramade Alawaye, Interim Head of School.

### SCHOOL CALENDAR

Don't forget to check the **school calendar** for school events and trips.

### REMINDERS

After school clubs will start on Monday 11th of September and finish week commencing 27th of November.

Term dates are now available on the website **HERE**.
