

Free Parent / Carer Language Enrichment Training - Primary Course Spring 24

Dear parents / carers of children with SEND. This is a practical 3 session course for parent / carers who want advice on supporting their child's speech, language and communication. The parent / carers who have attended previously have found the sessions very helpful and interesting- both listening to the speech therapist present the training and sharing ideas with other parent / carers.

Dates of sessions –23rd January 6th February and 27th February
(evaluation on 12th March)

More information about the training and details on how parent / carers can register are in the flyer and leaflet attached.
