## WEEKLY NEWS & EVENTS IN OUR SCHOOL

5th May 2023

### THIS WEEK...

We had a wonderful day we had in school yesterday as we celebrated the coronation King Charles III.

The children had a fantastic time participating in various activities, and it was a pleasure to see them all having fun. Our chef prepared a special menu for the occasion, and the students were treated to a delicious lunch.

They all enjoyed the food, and it was a great way to start the celebrations. Reception class had a lovely picnic in the school gardens, and the children had a fantastic time spending time in the sunshine. They had a lovely time together, and it was delightful to see them all enjoying themselves.

ARP 2 class had a tea party, and the children enjoyed the cupcakes they baked earlier in the day. They had a great time with one another and were thrilled to be able to indulge in the treats they had made.

Overall, it was a fantastic day, and it was a pleasure to see the children engaging in such a range of fun activities. I hope you have a wonderful and enjoyable long weekend as we celebrate the coronation of our king.

Thank you for your continued support.

Faramade Alawaye, Interim Head of School.
