WEEKLY NEWS & EVENTS IN OUR SCHOOL

10th February 2023

THIS WEEK...

We have come to the end of another busy half term. Thank you to all of you who attended the online workshops and the assemblies. I would like to thank Ms. Buki, our World Learning Leader and Ms. Casey our AHT & Curriculum Leader for hosting our Governors on a learning walk around the school this week. The Governors were very impressed with the children's ability to talk so confidently about their learning and their reading choices. The visit gave them a real insight into the amazing work the teachers and middle Leaders are doing in developing the concept curriculum across the school.

Thank you for the feedback from parents about Welcome Wednesday and Thrilling Thursday. The parents who have spoken to me have expressed that they would like to explore more effective and meaningful ways of being involved in their children's learning. Therefore, after half term we will be stopping these mornings while we make a plan. Reading in Reception class will continue. I am aware that not all parents were at the forum and may not have had a chance to express their views on this. If you have strong views about keeping these mornings, please email the office or speak to me at the gate.

As you know we are saying farewell to Raquel and Evangeline today and we wish them well in their new ventures. This does mean that Louise may be in the office on her own for the week until we can appoint staff. Please bear with us while we are short staffed as we may have to make some adjustments.

I hope you enjoy the half term holiday and with any luck the sun will be shining.

With Best Wishes,

Jennifer Gaffney, Interim Headteacher

SCHOOL CALENDAR

Don't forget to check the **school calendar** for school events and trips.

REMINDERS

Children are back after the half term on Monday 20th Feb, usual times.

Don't forget to book your Parent's Evening slot for Tues 21st Feb, 3-8.30pm. Spaces are going fast!

Term dates are now available on the website [HERE](#).
